SA T. Neale

PUP: Yeah, they got this thing (UI), was (UI) over here. (UI) that I wouldn't visit (UI) in Carlsbad (UI), I don't know about all that.

CHS: Ah - Ru-Dog doesn't know what he's talking about. I mean it, it does make more sense when, I mean...

PUP: For a minute there, I thought he was gonna say move to (UI).

CHS: (laughs)

PUP: (laughs, UI)

CHS: He don't know, carnal. Shadow was asking me this morning about it, and like I told him, it makes more sense that, I mean the feds picked up those, those murder charges in Cruces...

PUP: Yeah.

CHS: ...they're not gonna just charge four or five people, but that's not even a federal act right there.

PUP: Yeah.

CHS: They're gonna, that would be more of a gang...thing then anything. And that's a RICO, you know what I mean?

PUP: Yeah.

CHS: But...I don't know, we'll see, shit.

PUP: No, this thing, this thing with the feds...they haven't even took it up yet.

CHS: Yeah, because they don't pick it up till they, they d-they don't do it till they pick up everything. They're not gonna just...pick that up out of everything.

PUP: They're not gonna jump into something real quick. They're gonna collect everything the state has first...they're gonna go over that. And then they're gonna add some of their shit in there. And then...they'll go from there.

CHS: Shit, but that was, I mean if that happens and...it will be a gro-it, like a, it'll be a group thing, you know what

I mean?

PUP: Yeah. Well...more, all kinds of shit's gonna come out. More shit's gonna come out...from that fuckin' STIU. Even the juras on the streets, all them fuckers are gonna be bringing in their evidence and shit, you know?

CHS: Yep.

PUP: All kinds of shit so...things might get scandalous for a little bit...

CHS: Yeah we, carnal, we have more, more murders and unsolved murders than any other gang in New Mexico.

PUP: Yeah.

CHS: And...

PUP: It'll...(voices overlap)

CHS: ...when, when them, when, when them du-when they hit the Aryan Brotherhood and, and them three dudes killed that one vato in Los Lunas, you were g-you were out of state...they charged twenty of 'em with the RICO act.

PUP: Okay, check this out. Remember the, and this is still on the History Channel...New Mexico "Gangland" back in the days, you know like first of 2008.

CHS: Yeah.

PUP: And they came over here and shit, and they tried to interview me, that's where they (UI) that's how, I thought it was STIU at the time. If you didn't (UI), you're up to the fuckin' red cage, and I was out in the rec yard. Hey man, they, they need to talk to you. I don't wanna talk to them people. I already told 'em I don't wanna talk to them people. The first day I got here from out of state. That fuckin' MSNBC was hanging around, they wanted to fuckin' talk to me. I said I wanna talk to these people. They said well they're just gonna ask you if ah, if, you know, if you b-, you been locked up a lot of your life and this and that...they wanna ask you what it is like to be in prison (UI), I said no, I don't gotta do interviews. And I didn't do it. And then fuckin' Salazar came two days

later, hey, they both wanna talk to you woo-woo-woo. Nope, I don't wanna talk to them. I ain't nobody. I didn't talk to them. Around...about a year, not even a year later...fuckin', everybody, everybody, my mom, everybody's telling me...they fuckin', they're showin' you on TV. What do you mean they're showing me on TV? They said yeah, your picture, a picture of you when you were real young...and a o-and then now that you're, that you came back from out of state, they're showing the fuckin' mug shots. And they have the STIU talking about you. First they showed the reenactment of Styx and all them in the county jail, Shadow and all them. They did a whole reenactment of that shit. And then, and then they're talking about being a old and a new...the All-Stars, this and that. They're trying to say I was the old, and they have (UI), or a dude named Demon...ah Snoop...and all them. They're coming, someone (UI) they (UI), but they're talking about me and Styx. That I put back in the system...if you get a (UI) that sticks together, they'll tear some shit up. Woo-woo-woo all kinds of shit like that. And then they fuckin'...and then they ah, the STIU does a, a characteristic thing on me, and they (UI) they showed my picture. And that fucker's talk-talking like this is Mr. Baca, he's, he's, he's second in command, he's coming up. Now that he's back, he's gonna take over, and, his characteristics are, are drugs. He uses drugs as power, and all kinds of shit like that, you know?

CHS: Why'd they say second? You first.

PUP: Huh?

CHS: I said why would they say second, if you first? Who was saying that, the juras?

PUP: Yeah, the STIU.

CHS: Why do they think Styx's above you?

PUP: Because they don't know carnal.

CHS: They're retarded huh?

PUP: Yeah. They don't, they don't know. They just, they just, they're just going off of fucking bullshit, you know? So fuckin' Charito was on there, talking about yeah...I'm done with this. I got out, he said I'm, I'm gonna move out of

Albuquerque cause they're gonna kill me if they catch me in Albuquerque, and woo-woo-woo. And Demon and Slave and all of them over there say yeah, Pup's back, things are gonna change. All kinds of shit. Watch, I'll (UI) if anybody, if I respect anybody...it's not Styx, it's Pup. Pugs is the one I respect. He's been around a long, and (UI) all that shit too, you know?

CHS: Well...if they feds come and hit us...it...(voices overlap)

PUP: (UI) for that carnal. Cause all that didn't come out, but they hit us with the RICO and that's, they're gonna fuckin' try to say that I'm, I'm number one now you know? Then I have fuckin' ah...this ruca call my mom. I didn't have her, but she called my mom and (UI), and she fuckin' told my mom. She said well my carnal (UI)...with his wife back in the day, and they broke up and shit. Now...she became a fuckin' CO in the county jail in Burque (phonetic). And we haven't heard from her in fuckin' years. Over ten years...and she called to the house to fuckin' tell my mom that they're using my picture in their training. And they got me as number one. And they're showing a, a, they're showing a structure of me and the brothers. And they're using it in their training, you know?

CHS: Oh yeah, they'll get all that shit. They're gonna, they ain't (UI) that. I mean it'd probably be better for us don't you think? In a way.

PUP: You mean through the federal instead of state?

CHS: Yeah, I'm saying it'd be...(voices overlap)

PUP: (UI) talking to Dan-Dan about.

CHS: What does he, what did he say?

PUP: He thinks that, he thinks it'd probably be better too. But then I was telling him, if (UI) went down what the fuck...I mean I told him, you gotta find out what, what if they can actually...if they can fuckin'...do that as far as drop the fuckin' state case, dismiss it under la-non-prossee (phonetic), that means you can't never bring it back up. And then, and then all of the sudden, the federals can take over. Now see if there's a rule on that, you know what I mean?

CHS: Well but also and as far as, as far as our power, we'll be fuckin' deep.

PUP: Oh yeah, that's, oh yeah that's gonna be, that's gonna be up there.

CHS: Rudy was saying there's a, there's a, a federal pinta where there's like thirty carnals right now.

PUP: Well this is the other (UI) what they did to them, you know?

CHS: Hey...(voices overlap)

PUP: (UI) was telling me there's about fourteen.

CHS: And then...w-w...if fu...(voices overlap)

PUP: (UI) ...is forty...there's forty vatos from New Mexico in Florence, but at the FCI. That's another, that's a, that's a prison that's right next door. But it's a FCI, that's a medium. And I asked, I asked them vatos that were there...that, (UI) they would come to the hole, I asked them and they fuckin' said no, they just, they didn't really say anything, they're just regular dudes from New Mexico.

CHS: Well...if tha-if that happens, we'll be deep in that mother fucker.

PUP: Most of the brothers are in Victorville, and then like Smiley and them, when they got killed, they got killed in Hazelton, that's West Virginia. Beaumont is in Texas um...Terre Haute is in Indiana. Lordsburg is in ah Pennsylvania...now that fucker's got (UI)... Is that Rudy?! But he was (UI).

CHS: Chris knows all about that fuckin' shit.

PUP: Who?

CHS: Chris.

PUP: Yeah he does. He was there. (voices overlap)

CHS: That fucker kept me out there for like ten hours talkin' about that shit.

PUP: Yeah, he was there, he knows what's out there and all that. Anytime you get in the feds, you know, it, it yeah very few of us, so we know what's going on more or less.

CHS: You think, I mean he, look, loo-an, an, and that, let's see, let's see if fuckin' Mario...h-hits the fuckin' secretary.

PUP: Yeah.

CHS: Do you think...it'll give us fuckin', like notoriety with the fuckin' Eme like they respect us a lot more?

PUP: They already respect us.

CHS: I know but this is stu-I'm saying like that's some major shit right there.

PUP: Yeah, it (UI) fuckin' with us. (voices overlap)

CHS: They didn't even do nothing like that.

PUP: Yeah. Oh they, they don't know, they, they, with us going, with us going over there like that...with that type of fuckin' charge, oh yeah they fuckin', not only them, everybody else...respects the fuck out of that shit. Keep it right, carnal, the feds is full of a bunch of weirdoes too.

CHS: Right.

PUP: There's a fuckin', I mean full of fuckin' juveniles carnal, I mean, they kick the fuckin' doors all day, they fuckin' bang on the fuckin' showers inside the cells, drumming, rapping...fuckin' cussing each other out in front of the juras. I mean it's fuckin' crazy. But those are those little chola fuckers. But they're everywhere now, everywhere carnal. They've flooded the whole fuckin' federal system. And it's mostly (UI) you know? And (UI) ain't that bad. It's mostly them Anglos that's been doing all that. Disrespectful like fuck. But that's, that's in the hole. Out in the yard it's a little bit different.

CHS: That's what I'm saying, once that shit...(voices overlap)

PUP: (UI) alone in the yard. They be fuckin'...you fuck up, they're gonna fuck you up, your owns gonna fuck you up man.

CHS: That shit, hey...they, they all (UI) carnal, the Eme hasn't ever fuckin' do nothing like that.

PUP: I think they have.

CHS: Not the Secretary of Corrections.

PUP: Probably not the Secretary, but they did wardens and everything.

CHS: Wardens ain't shit though, the Secretary of Corrections, carnal, that's like the governor dog.

PUP: That's, that's like over there in ah...Illinois too...they hit the, they hit the, they hit the e-like the STIU over here...

CHS: Yeah.

PUP: ...they hit them over there, they hit wardens.

CHS: They, yeah, they hit C...CO...(voices overlap)

PUP: That's, that's...(voices overlap)

CHS: ...COs and cops and all them, they don't (UI) compared to the secretary. (voices overlapping)

PUP: (UI) was, you know? That's inside the facility, but the Eme has two hits on secretary of corrections, fuckin' all kinds of different people on the streets...

CHS: But they never got it done though.

PUP: Ah yeah they have. On that movie, American Me...yeah they, their people ended up dead. But it was mostly people from that neighborhood where they filmed it. That participated in the filming and all that.

CHS: Yeah, I heard about that, they were trying to kill the movie director and shit.

PUP: Yeah. They put a hit out on fuckin' Olmos, the actor...

CHS: Yep.

PUP: ...they did all that, you know?

CHS: Yeah w-Mario said it was him too, that he wanted to, that he was gonna get, that's the one.

PUP: If that, if that's even him. (UI) didn't say who it was yet.

CHS: No.

PUP: Shit, he's still spotting it out dude. I'm pa-it could be, it could be one at number one's house, but he might not even live there. It might be somebody else that lives there. They might be renting it or something.

CHS: No, he said it was the main one.

PUP: Yeah?

CHS: Yeah, he said it was the main one. Yep.

PUP: Well at least they (UI).

CHS: And then see, that'll fuckin'...sh-that shit'll be all over...

PUP: (UI) fuckin' bring us, that'll bring us all kinds of (UI). Fuck, (UI) get notoriety like fuck.

CHS: That's what y-that's, that's...(voices overlap)

PUP: You know I...(UI, voices overlap)

CHS: ...where, that's what we want though.

PUP: And then all them vatos in the feds will be like fuck yeah, you fucker.

CHS: I mean cause you want, you, you want...(voices overlap)

PUP: (UI)

CHS: ...I mean carnal you wanna get away with it, but at the same time...there's, you got the, you got the negative and the positive of the situation. Cause if you get away with it

it's good, cause then no one knows nothing.

PUP: Yeah.

CHS: But then again...you don't get the power.

PUP: Yeah.

CHS: But...and then...if you do...get, if it, if it happens and we get hemmed up...then all the, notoriety goes to here, to the S, no?

PUP: Yeah It does.

CHS: And that's...

PUP: (UI) it ge-it gets, it gets a lot of notoriety behind it and fuckin' publicity and all that's gonna fuckin' jack us up.

CHS: That's what you want.

PUP: The feds, the feds won't know about it until he gets it, and then they wanna see why we're there and all that, and they set hearings. The juras will tell it, like the juras over there when I was there now...um they didn't tell anybody, hey them guys are, these guys, like that vato right there, and he's, he's a fuckin', he's the main dude of fuckin' Sindicato. Them dudes are crazy in New Mexico. The talk like that carnal. The feds, the feds know about us, especially right there in Colorado. A lot of them, some of them fuckin' COs that are working Colorado...in the feds...yeah a lot of 'em have family here in New Mexico...a lot of 'em. The one's, the main unit manager, (UI) he works over here with the brothers over there in Las Cruces, they're (UI) control Unit. We were ones, he told me he's the one that saved Rudy Sena when Rudy Sena cut himself. I put the watch in there, a couple of 'em wearing shirts with a Zia (phonetic) on it and all that.

CHS: Oh yeah, that fucker's on it.

PUP: Oh yeah, everybody (UI) the way that fuckin', ha-every time they come in, just give me that fuckin' shirt...and we started laughing, you know and he goes hey ain't no (UI) that's why you're over here. (UI)

CHS: What are you gonna do if you see that fucker come on the news in the morning?

PUP: Oh man, I'm gonna have, I'm gonna haul right (UI) real quick and tell these fuckers to get that shit and destroy that (UI)

CHS: (laughs) get the (UI)...

PUP: (UI) first I'm gonna tell him to call Chris and tell him, tell Chris to fuckin' to destroy his shit, because they're gonna fuckin' be looking at all the brothers on the streets. And if destroying his shit then fuckin' get a new phone. Destroy his own phone...and make sure Mario does the same...and then it'll be alright.

CHS: Yeah.

PUP: And if, and if they fuckin' do surveillance, and this is, this is gonna happen carnal, if that fucker ends up fuckin' dead, they're gonna fuckin', all the surveillance around that whole community, and the fuckin' roads and the stop lights, everywhere. They're gonna look to see what cars are around that facility at the time that happened, and then they're gonna zero in on them...little by little, until they find who they're looking for. If they find a carnal's car...or if something there like that...then they're gonna focus in on the carnal. And they're come for our ass. You didn't think about that one did you?

CHS: No.

PUP: (laughs) I fuckin' thought about everything carnal. That's why I told him, you gotta fuckin' be careful with that shit. They got cameras everywhere. That mother fucker, they don't have to be caught right there in the fuckin' camera doing it. They got, you, they catch a car just down the block, they're gonna say what the fuck is that car doing around here? Who, who's ride, th-who, who owns that car? A la verga, right to the carnal, or (UI), or what the fuck is a carnal doing around this area? Then they're gonna go fuckin' question him. They're gonna add him as suspect.

CHS: You already threw away all your fucking addresses and phone

numbers and everything that link, to link?

PUP: No, I just scratched 'em out. I scratched out ah...I scratched out Poo-Poo...I got yours on there, but that ain't nothing huh?

CHS: Nah, I'm your neighbor fool.

PUP: And I got Linda Pina, (UI), Sherry Beaumont, whatever...

CHS: (laughs) you got all my ex girlfriends. (laughing)

PUP: ...(UI)

CHS: Nah, you're good.

PUP: Alright.

CHS: You got all my fuckin' hoes down there. (laughs)

PUP: Yeah. And then I got next to it, next to their names I have Crazo's written down.

CHS: You, you probably looked at that list and said damn, this mother fucker's a pimp huh?

PUP: Oh yeah (laughs)

CHS: (laughs)

PUP: You have a lot of (UI) bitches right there.

CHS: (laughs)

PUP: (UI) and everyone has Crazo written next to it, so I don't forget whose it is.

CHS: No, It's all good carnal. They ain't, the only, the only ones that, that you need to get rid of is fuckin' Mario's...

PUP: Yeah.

CHS: Chris's...

PUP: But I got Deta's on there.

CHS: Yeah, Deta's...that's your cousin.

PUP: Yeah.

CHS: It's not like she's involved in anything anyways, you know what I mean?

PUP: Yeah.

CHS: Um...that's it A, just, just the carnals really, the ones that, that...

PUP: That's it right there.

CHS: I mean basically Mario, cause he's the one that's gonna go, that's gonna do it no?

PUP: Yeah, I had, I had Mario's written down' well I had, but I put Poo-Poo. But I said no, fuck that, I t-I took that whole thing off carnal. I don't got the number at all on there. Just scratched that black shit all in there you know? Real good too.

CHS: Cause last night when he text me carnal, he said, that's what else he was, "Yo sabes" with me, and he said "Yo sabes" is um...that, he said that I ah... I'm gonna do that t-tonight or for sure tomorrow, you know?

PUP: Yeah, when he says "Ya sabes" that means you already know.

CHS: Yeah.

PUP: That's it, you know already. So maybe he's, he's fuckin' figured out what he's gonna do now, so let's do it.

CHS: Yeah, he's fuckin'... that's why he wasn't answering his phone carnal, that fucker's on a mission.

PUP: Yeah.

CHS: I didn't, I-sh-I sh-your ass was up by four in the morning. I stayed up too late last night, I w-I was gonna get up and check the news too, you know?

PUP: Man, I got up at (UI) I fuckin' woke up at fuckin' four thirty. I'm like what the fuck? And then I fuckin' turn

on the news and I fuckin' was watching and (UI) nothing, you know? But I like fuckin'...started moving around about...I don't know, fifteen till five. No...about five thirty, I started moving around. I had to get up and take my pill. I have to take my pill at least an hour before I eat breakfast. I have to take it on a empty stomach. My thyroid.

CHS: What did Dan say? Did you tell him about all the feds and all that?

PUP: Yeah. I always run it down for him and shit over there.

CHS: What'd he say?

PUP: (UI, voices overlap) ...he's more concerned carnal he's fuckin' tripping right now carnal on fuckin' Blue.

CHS: Why?

PUP: Because of Blue, Blue's the one that did ah started that shit.

CHS: Yeah well...probably is carnal, I mean...everybody said he left Creepers flojas, he was supposed to get the shank and, I mean he went, he went in... and he told, he told Creeper all the fuckin' business, what he was gonna do. He made Creeper do it, and then he told Creeper, when you're dead, I'll get the shank from you. He left him flojas though. That's why Blue's mad.

PUP: Yeah.

CHS: You know what I mean?

PUP: But why did fuckin', why did he go take it to Blue for?

CHS: He didn't, he didn't take it to Blue. The one, the shank that Blue got was really the one that Plas (phonetic) gave him.

PUP: Oh.

CHS: The shank that Creeper had, he threw it in the trashcan... because he went, and he looked for Dan-Dan. Dan-Dan wasn't there, he didn't give it, so he didn't give him the

shank, he just threw it in the trashcan. He, well the reason why he went upstairs where Blue was is cause he was gonna wash the blood off his hands.

PUP: Oh.

CHS: For what reason, I don't know, the fucker did it on camera *a la verga* (laughs) But...

PUP: Well Creeper, Creeper's the one that went, went down and when he went down there and fuckin' started, even the real fuckin', that vato, and the vato was right there at the door.

CHS: Yeah they, yeah, that's what I'm saying, they both, they both went after him, but Creeper got him out there more, no?

PUP: Yeah. Outside the cell.

CHS: So...

PUP: That wasn't, that wasn't supposed to happen like that.

CHS: No see, but...

PUP: So...

CHS: ...Red and Blue was supposed to go in there and strangle him, which what they did. Then he passed out. Then Creeper and Plas (phonetic) were gonna go in there and start stabbing him. Well they started stabbing him...the vato woke up...and, and he fuckin' bolted out of the room.

PUP: Man.

CHS: When he bolted out of the room, Blue told him go get him. So they ran after him and got him.

PUP: Yeah. (Spanish) (pause)...

?: Hey what's up?

CHS: What are you doing?

?: Nadda. (UI) (voices heard in background) (pause)...

CHS: Hey...

PUP: Huh?

CHS: Well you-standing at the damn door again?

PUP: (UI)

CHS: Huh?

PUP: See what the, what are they doing?

CHS: He's doing showers.

PUP: Yeah.

CHS: So anyways, yeah that's why he's mad though. But...I mean like I told you earlier, Baby Rob was the one of 'em... was pushing it no? But...I mean now you're-I mean you're here carnal so...I mean you're the only one that could fucking give green lights and shit. And no one else can say fuck.

PUP: Yeah.

CHS: It's whatever you wanna do, you know what I'm saying?

PUP: Alright, I'll holler at Blue.

CHS: Yeah, we're just gonna have to fuckin' go talk to him and see what the situation is or...like that.

PUP: Yeah. (UI). I have it on paper to go see him in the yard, no?

CHS: Like I say carnal, he...Blue already knew. You know what I mean? He went...they both made, both those fuckers do it, he took the risk of getting caught, so I don't know why he's, I told him that before, I don't know why you're fuckin' sniffing all over it. I mean...you guys didn't even cover the fuckin' cameras, of course you were gonna get caught. You-you're talkin' a-you're talkin' about four people going in one room, and one fucker ending up dead. Just that in a, just that alone is enough to charge a mother fucker.

PUP: Yeah, but see the thing of it is, they don't know who done it.

CHS: It don't...(voices overlap)

PUP: (UI) people go inside a cell, you don't know who (UI) done it. You have to prove which one done it.

CHS: Yeah, but you already know the majority of the time when they get four people and they charge four people with first degree murder, one of 'ems gonna bait.

PUP: Yeah.

CHS: That's...that's almost guaranteed that, you know what I'm saying? That's like eighty percent.

PUP: Yeah.

CHS: One of 'ems gonna tell.

PUP: Yeah.

CHS: And I mean, you already know ah Plazz (phonetic) and Creeper, they didn't even wanna fuckin' do it, these vatos made 'em do it, so right there that, just making somebody do something carnal and threatening their life. Then you already know if they get caught they're telling. And now they fuckin'...obviously federal witnesses and shit now. You know what I mean?

PUP: Yeah...(voices overlap)

CHS: What did, what did Blue say when you told him you were gonna fucking get on Creeper?... Creeper family?

PUP: Oh he said fuck yeah. Well we didn't t-we didn't get to talk today about all that. Cause I was already talking to Archie and he was, I mean I was talking to ah Dan-Dan, and he was talking to Archie.

CHS: You didn't tell him that you fuckin' qui-you didn't get the chance to tell him that you fuckin' got at him yesterday?

PUP: Oh ah yeah, he already knew that it, remember that time

when they fuckin' was shakin' us down?

CHS: Yeah, but that was before fuckin', that was be-you told him, I told him that too that you had fuckin' did that. But um...that was before the fed-federal shit came out.

PUP: Oh yeah, yeah, he's down with all that.

CHS: Cause I heard you telling him yesterday well that (UI), I'm gonna get at...(voices overlap)

PUP: (UI)

CHS: ...yesterday when you were talking to him I heard you say, I'm gonna get all that shit like fuckin' extra hard now. (laughs)

PUP: Yeah. Well, well it's, it's a federal thing now, no?

CHS: Yeah, it's a federal thing now. Shit, that shit got serious real quick. (laughs)

PUP: Hell yeah. It's more serio.

CHS: Fuck yeah it is. I didn't know (UI) shit dog. But...

PUP: See he's thinking, he's thinking it's better for him. Cause there's a big difference. The feds, the feds haven't hit us yet. They ain't done nothing for us.

CHS: Yeah, we'll just assum...(voices overlap)

PUP: (UI) happened yet. But if it-they're talking about the feds stepping in, but the feds haven't done nothing yet, so...well who knows, anything...anything can happen. Or-or (UI) sniffer, they say anything can happen...we haven't been charged yet, and everybody's fuckin' all rattled up but...the thing of it is, that vato, he done ratted, you understand that?

CHS: Yep.

PUP: Now, if they're gonna go ahead and do us with the feds...then his, his family's fuckin', they need to fuckin' move today. That's it.

CHS: Hell yeah.

PUP: And his family, his family gets hit. And that shit will hit the news carnal. And they're gonna say the only motive behind that has been because that fucker testified. That shit hits the news too. That gives us more power. Because of the fact that...everybody's gonna know, 'a la verga, they're gonna hit my family, I'm never gonna tell 'em.'

CHS: And...(voices overlap)

PUP: (UI) you know?

CHS: ...and not only that but they're like that fucker's a-that fucker was a federal witness, and they fuckin' killed his family.

PUP: Yeah.

CHS: All, all this shit dog. And carnal you gotta think, like I told you yesterday, more than likely, you're lo-you're looking at at least fuckin' fifty, sixty brothers at one time. They're not gonna just do...

PUP: Yeah I know.

CHS: ...we're too big.

PUP: I don't think that much.

CHS: I do.

PUP: It's because they knew they would have the structure like they did on other mother fuckers right? They don't have the structure on us like that and so...they have to just start pulling brothers and then (UI) more than that and all their (UI) and um...it ain't gonna be that big. I say, at the most is gonna be eight of 'em.

CHS: Nah, hell no.

PUP: That's just (UI, voices overlap) ...

CHS: Fuck no carnal, loo-you gotta, look...all these fucker murders, guaranteed even some of these unsolved murders

that we know about...

PUP: I don't think they're gonna go that far.

CHS: Shit they're, them mother fuckers... (voices overlap)

PUP: I'm looking at it like, okay that could, that's possible.

CHS: Hey, people don't(UI).

PUP: Yeah, that's possible.

CHS: That's not even worth their time.

PUP: But I, I, but they don't, they don't have nobody to come forward for all that.

CHS: Shit, but that's, that's the thing carnal, they go to the...(voices overlap)

PUP: Right now that we know of anyway.

CHS: But that, that-like I said that's what they do. They'll go to these vatos that they, that they might have, we don't know, there's fuckers that could...(voices overlap)

PUP: They have to go to them before we get indicted.

CHS: They, they might have.

PUP: They might have already?

CHS: Yes.

PUP: Woo-hoo (laughs).

CHS: Carnal, they're not, do-we're too, we're not, we're not as big as the Eme, but we have power dog.

PUP: Yeah.

CHS: You know, we probably have more bodies than the Eme...I mean not...(voices overlap)

PUP: Not at all.

CHS: ...not, no, no, they have a lot of bodies and shit, but we have a lot of fuckin' bodies dog.

PUP: Fuckin'...(voices overlap)

CHS: For being as small as we are, as far as gang hits and shit...we got a lot of bodies compared to most gangs.

PUP: The, the vato that was with Dan-Dan right now...

CHS: Who?

PUP: ...that vato from Arizona.

CHS: Yeah.

PUP: From the Eme. They got them on eight murders carnal. Saying that they've all (UI) the crew. They got him out of state over there. In the state, but they, they fuckin', they, they got 'em all under a fuckin', under a...some type of fuckin' gang shit, you know? (UI) pinta. I ask Dan, how many murders did they have all together in that fuckin' indictment and shit and all, and he said there's eight of them.

CHS: Well what'd they hit him with, the pri-federal?

PUP: I don't know where they were.

CHS: Yeah see them, hey carnal, they're not gonna come and just um...hit eight, eight brothers carnal. There's, there's too much fuckin' dirt on us dog. They're not, they're not gonna waste their time doing that type of shit.

PUP: Well they...they got more, they indicted a bunch of them (UI, voices overlap)

CHS: There has to, there has to be at least thirty of us...and if not thirty there's only gonna be maybe fifteen in, in prison, and maybe fifteen on the streets or ten on the streets.

PUP: Yeah.

CHS: Cause you gotta think carnal, you've got...you got Fred Dog, unsolved murder. Cyclone's in the program. You got

Troupe on the streets, you got Javier in the program,  
Wino...you know what I'm saying?

PUP: Yeah.

CHS: That's unsolved murder, that's three people right there.

PUP: That, that JJ on the streets. But JJ, JJ never get, got  
indicted. That was, that was for the vato Ronnie Baca  
(phonetic)

CHS: Oh, he never got indicted for that?

PUP: RB?

CHS: Yeah, I...

PUP: No.

CHS: I thought him and Playboy got attacked for that.

PUP: No. Playboy, Playboy didn't get, Playboy did time because  
ah Animal.

CHS: Well I thought they got, I thought they, I thought fuckin'  
they got, well Panther, okay, Panther and Playboy did, I  
know they Animal but...

PUP: Yeah...(voices overlap)

CHS: ...I thought later on, fuckin' Playboy got charged with that  
one too.

PUP: No.

CHS: Oh.

PUP: No.

CHS: I thought that's why all the carnals were mad at him, they  
said that he was working with the feds.

PUP: No, (UI) ain't nobody got, nobody got charged for that one  
with RB. They didn't get them on that.

CHS: Oh.

PUP: Ah oh well, nobody sounds guilty anyway, you know what I'm saying?

CHS: Yeah well...Playboy's in the program too so...

PUP: I don't think Playboy will say nothing.

CHS: I mean he didn't forever, he ain't got nothing to lose. I mean the best thing that can happen to him is a better housing in the feds.

PUP: (UI) fucker, he don't never say nothing man. He knows, he don't go take the stand or nothing. That fucker...

CHS: Yeah, he's put in a lot of work for Styx, I know that. I've been knowing that fucker forever carnal. That fucker's, he's down A, I don't why he got put in the way he is. I mean I know Arturo put a green light on him and all that shit, but...

PUP: The boys are getting tired of his fuckin' scandalous (phonetic) ass shit carnal. Brothers are getting discouraged, frustrated, fuckin' like just like fuckin', this shit is fuckin' wacked. We'll always have a brother that's always there on some petty ass shit fuckin' trying to get brothers against each other, all the time. It never fails carnal. There's always somebody there. And now, we just identify which ones is, (UI) all the time. Which one is it now a days? That's all we do on that shit. It (UI) what it is, and go with that. We can't have that shit all the time carnal.

CHS: Yeah, but then people like Arturo and them...

PUP: They're gonna fuckin' fuckin' each other up because of fuckin' shit like that. All this scandalous ass shit. (UI) they fuckin' try to put a mother fucker on the dish and still has to be ass out of control. That shit's been goin' on for a while now.

CHS: Yeah. These fuckin' people let that power go to their head.

PUP: Yeah they fuckin'...sometime not even, it's not even the power thing, it's just, it's just fuckin' they're just

scandalous like that. They just, they just love the misery carnal. They just fuckin' love two brothers fighting each other. They love to fuckin', they're right there to fuckin' start shit and, just putting shit in people's ear and talking shit behind brothers' backs. They're doin' all that shit like that. Just scandalous ass shit man. It's been going on for years and years. We all have that (UI)...things like that and...respond (UI) and, and create fuckin' problems like that. That's what happens carnal. We're all guilty of little things, you know what I'm saying? And we've gotta work on that. We're over killing our fellow brother and (UI) just be fuckin' high fiving each other. The brothers that have been fuckin' serious in this for all these years, and they, it's not even, it's not getting better. It's still continuing. That's cause there's, nobody faces consequences.

CHS: Well, well now they do cause you're here so, especially if we go to the feds, you can enforce that type of shit.

PUP: Yeah, but that's what I'm saying, it's not gonna go down...in the feds, they fuckin', even the Eme steps in carnal. The Eme will step in and tell the brothers right away. Your brother's acting out of line. You know, they handle their own. When it comes to a brother, they fuckin' let a brother know before they'll even touch a brother. It was just like when them fuckin', when Whacky, Whacky and another brother, they hit, they hit some type of Nuevo...it was just regular 505...and he was there kicking it, (UI) hall everybody, but that fucker was over there fuckin' coppin' behind a brother's back from one of the vatos from the Eme. Yeah, fuckin' vatos, they, we're gonna fuckin' end up fuckin'...ye-we're gonna end up takin' all them fools out eventually and woo-woo-woo. That fuckin' Eme vato wanted to kill the carnal, yeah he'll fuckin' pull (UI) some bullshit huh. Fuckin' carnal stabbed the fuck out of him. Whacky and another one. And (UI) was telling me he was, he was, (UI) was there. He was laughing when he was telling me about it. The way it's gonna go down, he said it was real funny, you know? The brothers were chasing that fool in the yard and started stabbing him. My initial thought was well that's good. These fuckin' vatos from the Eme, they like to fuckin' get involved in all our shit and try to fuckin' manipulate and all this and that, and turn up against each other, that way they have all the power

all the time, no?

CHS: Yeah.

PUP: That was my initial thought. But no, these fuckers don't do that carnal, they fuckin', they're up straight with us in the feds. And they have, you know they go their own problems too and shit, but they deal with it. Sometimes it gets out of control. They got, I got, they g-they got all kinds of fuckin' (Spanish), they got all kinds of shit right now. They have all the politicking against each other...

00001:01 PUP: Yeah, they got this thing (UI), was (UI) over here. (UI)  
02 that I wouldn't visit (UI) in Carlsbad (UI), I don't know about  
03 all that.  
04 CHS: He don't know, carnal. Shadow was asking me this morning  
05 about it, and like I told him, it makes more sense that, I mean  
06 the feds picked up those, those murder charges in Cruces...  
07 PUP: Yeah.  
08 CHS: ... they're not gonna just charge four or five people, but  
09 that's not even a federal act right there.  
10 PUP: Yeah.  
11 CHS: They're gonna, that would be more of a gang...thing then  
12 anything. And that's a RICO, you know what I mean?  
13 PUP: Yeah.  
14 CHS: But...I don't know, we'll see, shit.  
15 PUP: No, this thing, this thing with the feds...they haven't  
16 even took it up yet.  
17 CHS: Yeah, because they don't pick it up till they, they d-they  
18 don't do it till they pick up everything. They're not gonna  
19 just...pick that up out of everything.  
20 PUP: They're not gonna jump into something real quick. They're  
21 gonna collect everything the state has first...they're gonna go  
22 over that. And then they're gonna add some of their shit in  
23 there. And then...they'll go from there.  
24 CHS: Shit, but that was, I mean if that happens and...it will  
25 be a gro-it, like a, it'll be a group thing, you know what  
00002:01 I mean?  
02 PUP: Yeah. Well...more, all kinds of shit's gonna come out.  
03 More shit's gonna come out...from that fuckin' STIU. Even the  
04 juras on the streets, all them fuckers are gonna be bringing in  
05 their evidence and shit, you know?  
06 CHS: Yep.  
07 PUP: All kinds of shit so...things might get scandalous for a  
08 little bit...  
09 CHS: Yeah we, carnal, we have more, more murders and unsolved  
10 murders than any other gang in New Mexico.  
11 PUP: Yeah.  
12 CHS: And...  
13 PUP: It'll...(voices overlap)  
14 CHS: ...when, when them, when, when them du-when they hit the  
15 Aryan Brotherhood and, and them three dudes killed that one vato  
16 in Los Lunas, you were g-you were out of state...they charged  
17 twenty of 'em with the RICO act.  
18 PUP: Okay, check this out. Remember the, and this is still on the  
19 History Channel...New Mexico "Gangland" back in the days, you  
20 know like first of 2008.  
21 CHS: Yeah.  
22 PUP: And they came over here and shit, and they tried to  
23 interview me, that's where they (UI) that's how, I thought it  
24 was STIU at the time. If you didn't (UI), you're up to the  
25 fuckin' red cage, and I was out in the rec yard. Hey man, they,  
00003:01 they need to talk to you. I don't wanna talk to them people. I  
02 already told 'em I don't wanna talk to them people. The first day  
03 I got here from out of state. That fuckin' MSNBC was hanging  
04 around, they wanted to fuckin' talk to me. I said I wanna talk to

Exh349 - DISC 6158-6182.Trans of CHS & ABaca 11-15-12-15.1168.008PL.R.R.txt

05 these people. They said well they're just gonna ask you if ah,  
 06 if, you know, if you b-, you been locked up a lot of your life  
 07 and this and that...they wanna ask you what it is like to be in  
 08 prison (UI), I said no, I don't gotta do interviews. And I didn't  
 09 do it. And then fuckin' Salazar came two days later, hey, they  
 10 both wanna talk to you woo-woo-woo. Nope, I don't wanna talk to  
 11 them. I ain't nobody. I didn't talk to them. Around...about a year,  
 12 not even a year later...fuckin', everybody, everybody, my mom,  
 13 everybody's telling me...they fuckin', they're showin' you on TV.  
 14 What do you mean they're showing me on TV? They said yeah, your  
 15 picture, a picture of you when you were real young...and a o-and  
 16 then now that you're, that you came back from out of state, they're  
 17 showing the fuckin' mug shots. And they have the STIU talking  
 18 about you. First they showed the reenactment of Styx and all them  
 19 in the county jail, Shadow and all them. They did a whole reenactment  
 20 of that shit. And then, and then they're talking about being a old  
 21 and a new...the All-Stars, this and that. They're trying to say I was  
 22 the old, and they have (UI), or a dude named Demon...ah Snoop...  
 23 and all them. They're coming, someone (UI) they (UI), but  
 24 they're talking about me and Styx. That I put back in the  
 25 system...if you get a (UI) that sticks together, they'll tear  
 00004:01 some shit up. Woo-woo-woo all kinds of shit like that. And then  
 02 they fuckin'...and then they ah, the STIU does a, a  
 03 characteristic thing on me, and they (UI) they showed my  
 04 picture. And that fucker's talk-talking like this is Mr. Baca,  
 05 he's, he's, he's second in command, he's coming up. Now that he's  
 06 back, he's gonna take over, and, his characteristics are, are  
 07 drugs. He uses drugs as power, and all kinds of shit like that,  
 08 you know?  
 09 CHS: Why'd they say second? You first.  
 10 PUP: Huh?  
 11 CHS: I said why would they say second, if you first? Who was  
 12 saying that, the juras?  
 13 PUP: Yeah, the STIU.  
 14 CHS: Why do they think Styx's above you?  
 15 PUP: Because they don't know carnal.  
 16 CHS: They're retarded huh?  
 17 PUP: Yeah. They don't, they don't know. They just, they just,  
 18 they're just going off of fucking bullshit, you know? So fuckin'  
 19 Charito was on there, talking about yeah...I'm done with this. I  
 20 got out, he said I'm, I'm gonna move out of Albuquerque cause they're  
 21 gonna kill me if they catch me in Albuquerque, and woo-woo-woo.  
 22 And Demon and Slave and all of them over there say yeah, Pup's back,  
 23 things are gonna change. All kinds of shit. Watch, I'll (UI) if anybody,  
 24 if I respect anybody...it's not Styx, it's Pup. Pugs is the one I  
 25 respect. He's been around a long, and (UI) all that shit too, you  
 00005:01 know?  
 02 CHS: Well...if they feds come and hit us...it...(voices overlap)  
 03 PUP: (UI) for that carnal. Cause all that didn't come out, but  
 04 they hit us with the RICO and that's, they're gonna fuckin' try  
 05 to say that I'm, I'm number one now you know? Then I have fuckin'  
 06 ah...this ruca call my mom. I didn't have her, but she called my  
 07 mom and (UI), and she fuckin' told my mom. She said well my  
 08 carnal (UI)...with his wife back in the day, and they broke up

Exh349 - DISC 6158-6182.Trans of CHS & ABaca 11-15-12-15.1168.008PL.R.R.txt

09 and shit. Now...she became a fuckin' CO in the county jail in  
 10 Burque (phonetic). And we haven't heard from her in fuckin'  
 11 years. Over ten years...and she called to the house to fuckin'  
 12 tell my mom that they're using my picture in their training. And  
 13 they got me as number one. And they're showing a, a, they're  
 14 showing a structure of me and the brothers. And they're using it  
 15 in their training, you know?  
 16 CHS: Oh yeah, they'll get all that shit. They're gonna, they  
 17 ain't (UI) that. I mean it'd probably be better for us don't you  
 18 think? In a way.  
 19 PUP: You mean through the federal instead of state?  
 20 CHS: Yeah, I'm saying it'd be...(voices overlap)  
 21 PUP: But then I was telling him, if (UI) went down what the fuck...  
 22 I mean I told him, you gotta find out what, what if they can  
 23 actually...if they can fuckin'...do that as far as drop the  
 24 fuckin' state case, dismiss it under la-non-prossee (phonetic),  
 25 that means you can't never bring it back up. And then, and then  
 00006:01 all of the sudden, the federals can take over. Now see if there's  
 02 a rule on that, you know what I mean?  
 03 CHS: Well but also and as far as, as far as our power, we'll be  
 04 fuckin' deep.  
 05 PUP: Oh yeah, that's, oh yeah that's gonna be, that's gonna be up  
 06 there.  
 07 PUP: Well this is the other (UI) what they did to them, you know?  
 08 CHS: Hey...(voices overlap)  
 09 PUP: (UI) was telling me there's about fourteen.  
 10 CHS: And then...w-w...if fu...(voices overlap)  
 11 PUP: (UI) ...is forty...there's forty vatos from New Mexico in  
 12 Florence, but at the FCI. That's another, that's a, that's a  
 13 prison that's right next door. But it's a FCI, that's a  
 14 medium. And I asked, I asked them vatos that were there...that,  
 15 (UI) they would come to the hole, I asked them and they fuckin'  
 16 said no, they just, they didn't really say anything, they're  
 17 just regular dudes from New Mexico.  
 18 CHS: Well...if tha-if that happens, we'll be deep in that mother  
 19 fucker.  
 20 PUP: Most of the brothers are in Victorville, and then like  
 21 Smiley and them, when they got killed, they got killed in  
 22 Hazelton, that's West Virginia. Beaumont is in Texas um...Terre  
 23 Haute is in Indiana. Lordsburg is in ah Pennsylvania...now that  
 24 fucker's got (UI)... But he was (UI).  
 25 CHS: Chris knows all about that fuckin' shit.  
 00007:01 PUP: Who?  
 02 CHS: Chris.  
 03 PUP: Yeah he does. He was there. (voices overlap)  
 04 CHS: That fucker kept me out there for like ten hours talkin'  
 05 about that shit.  
 06 PUP: Yeah, he was there, he knows what's out there and all that.  
 07 Anytime you get in the feds, you know, it, it yeah very few of  
 08 us, so we know what's going on more or less.  
 09 CHS: You think, I mean he, look, loo-an, an, and that, let's see,  
 10 let's see if fuckin' Mario...h-hits the fuckin' secretary.  
 11 PUP: Yeah.  
 12 CHS: Do you think...it'll give us fuckin', like notoriety with

Exh349 - DISC 6158-6182.Trans of CHS & ABaca 11-15-12-15.1168.008PL.R.R.txt

13 the fuckin' Eme like they respect us a lot more?

14 PUP: They already respect us.

15 CHS: I know but this is stu-I'm saying like that's some major  
16 shit right there.

17 PUP: Yeah, it (UI) fuckin' with us. (voices overlap)

18 CHS: They didn't even do nothing like that.

19 PUP: Yeah. Oh they, they don't know, they, they, with us going,  
20 with us going over there like that...with that type of fuckin'  
21 charge, oh yeah they fuckin', not only them, everybody  
22 else...respects the fuck out of that shit. Keep it right, carnal,  
23 the feds is full of a bunch of weirdoes too.

24 CHS: Right.

25 PUP: There's a fuckin', I mean full of fuckin' juveniles carnal,  
00008:01 I mean, they kick the fuckin' doors all day, they fuckin' bang  
02 on the fuckin' showers inside the cells, drumming,  
03 rapping...fuckin' cussing each other out in front of the juras. I  
04 mean it's fuckin' crazy. But those are those little chola  
05 fuckers. But they're everywhere now, everywhere carnal. They've  
06 flooded the whole fuckin' federal system. And it's mostly (UI)  
07 you know? And (UI) ain't that bad. It's mostly them Anglos that's  
08 been doing all that. Disrespectful like fuck. But that's, that's  
09 in the hole. Out in the yard it's a little bit different.

10 CHS: That's what I'm saying, once that shit...(voices overlap)

11 PUP: (UI) alone in the yard. They be fuckin'...you fuck up,  
12 they're gonna fuck you up, your owns gonna fuck you up man.

13 CHS: That shit, hey...they, they all (UI) carnal, the Eme hasn't  
14 ever fuckin' do nothing like that.

15 PUP: I think they have.

16 CHS: Not the Secretary of Corrections.

17 PUP: Probably not the Secretary, but they did wardens and  
18 everything.

19 CHS: Wardens ain't shit though, the Secretary of Corrections,  
20 carnal, that's like the governor dog.

21 PUP: That's, that's like over there in ah...Illinois too...they  
22 hit the, they hit the, they hit the e-like the STIU over here...

23 CHS: Yeah.

24 PUP: ...they hit them over there, they hit wardens.

25 CHS: They, yeah, they hit C...CO...(voices overlap)

00009:01 PUP: That's, that's...(voices overlap)

02 CHS: ...COs and cops and all them, they don't (UI) compared to  
03 the secretary. (voices overlapping)

04 PUP: (UI) was, you know? That's inside the facility, but the  
05 Eme has two hits on secretary of corrections, fuckin' all kinds  
06 of different people on the streets...

07 CHS: But they never got it done though.

08 PUP: Ah yeah they have. On that movie, American Me...yeah they,  
09 their people ended up dead. But it was mostly people from that  
10 neighborhood where they filmed it. That participated in the  
11 filming and all that.

12 CHS: Yeah, I heard about that, they were trying to kill the movie  
13 director and shit.

14 PUP: Yeah. They put a hit out on fuckin' Olmos, the actor...

15 CHS: Yep.

16 PUP: ...they did all that, you know?

Exh349 - DISC 6158-6182.Trans of CHS & ABaca 11-15-12-15.1168.008PL.R.R.txt

17 CHS: Yeah w-Mario said it was him too, that he wanted to, that  
 18 he was gonna get, that's the one.  
 19 PUP: If that, if that's even him. (UI) didn't say who it was yet.  
 20 CHS: No.  
 21 PUP: Shit, he's still spotting it out dude. I'm pa-it could  
 22 be, it could be one at number one's house, but he might not even  
 23 live there. It might be somebody else that lives there. They  
 24 might be renting it or something.  
 25 CHS: No, he said it was the main one.  
 00010:01 PUP: Yeah?  
 02 CHS: Yeah, he said it was the main one. Yep.  
 03 PUP: Well at least they (UI).  
 04 CHS: And then see, that'll fuckin'...sh-that shit'll be all  
 05 over...  
 06 PUP: (UI) fuckin' bring us, that'll bring us all kinds of (UI).  
 07 Fuck, (UI) get notoriety like fuck.  
 08 CHS: That's what y-that's, that's...(voices overlap)  
 09 PUP: You know I...(UI), voices overlap)  
 10 CHS: ...where, that's what we want though.  
 11 PUP: And then all them vatos in the feds will be like fuck  
 12 yeah, you fucker.  
 13 CHS: I mean cause you want, you, you want...(voices overlap)  
 14 PUP: (UI)  
 15 CHS: ...I mean carnal you wanna get away with it, but at the  
 16 same time...there's, you got the, you got the negative and the  
 17 positive of the situation. Cause if you get away with it  
 18 it's good, cause then no one knows nothing.  
 19 PUP: Yeah.  
 20 CHS: But then again...you don't get the power.  
 21 PUP: Yeah.  
 22 CHS: But...and then...if you do...get, if it, if it happens and we  
 23 get hemmed up... then all the, notoriety goes to here, to the S, no?  
 24 PUP: Yeah It does.  
 25 CHS: And that's...  
 00011:01 PUP: (UI) it ge-it gets, it gets a lot of notoriety behind it  
 02 and fuckin' publicity and all that's gonna fuckin' jack us up.  
 03 CHS: That's what you want.  
 04 PUP: The feds, the feds won't know about it until he gets it, and  
 05 then they wanna see why we're there and all that, and they set  
 06 hearings. The juras will tell it, like the juras over there when  
 07 I was there now...um they didn't tell anybody, hey them guys  
 08 are, these guys, like that vato right there, and he's, he's a  
 09 fuckin', he's the main dude of fuckin' Syndicato. Them dudes are  
 10 crazy in New Mexico. The talk like that carnal. The feds, the  
 11 feds know about us, especially right there in Colorado. A lot of  
 12 them, some of them fuckin' COs that are working Colorado...in  
 13 the feds...yeah a lot of 'em have family here in New Mexico...a  
 14 lot of 'em. The one's, the main unit manager, (UI) he works over  
 15 here with the brothers over there in Las Cruces, they're (UI)  
 16 control Unit. We were ones, he told me he's the one that saved  
 17 Rudy Sena when Rudy Sena cut himself. I put the watch in there,  
 18 a couple of 'em wearing shirts with a Zia (phonetic) on it and  
 19 all that.  
 20 CHS: Oh yeah, that fucker's on it.

21 PUP: Oh yeah, everybody (UI) the way that fuckin', ha-every time  
 22 they come in, just give me that fuckin' shirt...and we started  
 23 laughing, you know and he goes hey ain't no (UI) that's why  
 24 you're over here. (UI)  
 25 CHS: What are you gonna do if you see that fucker come on the  
 00012:01 news in the morning?  
 02 PUP: Oh man, I'm gonna have, I'm gonna haul right (UI) real  
 03 quick and tell these fuckers to get that shit and destroy that (UI)  
 04 CHS: (laughs) get the (UI)...  
 05 PUP: (UI) first I'm gonna tell him to call Chris and tell him,  
 06 tell Chris to fuckin' to destroy his shit, because they're gonna  
 07 fuckin' be looking at all the brothers on the streets. And if  
 08 destroying his shit then fuckin' get a new phone. Destroy his own  
 09 phone...and make sure Mario does the same...and then it'll be  
 10 alright.  
 11 CHS: Yeah.  
 12 PUP: And if, and if they fuckin' do surveillance, and this is,  
 13 this is gonna happen carnal, if that fucker ends up fuckin'  
 14 dead, they're gonna fuckin', all the surveillance around that  
 15 whole community, and the fuckin' roads and the stop lights,  
 16 everywhere. They're gonna look to see what cars are around that  
 17 facility at the time that happened, and then they're gonna zero  
 18 in on them...little by little, until they find who they're  
 19 looking for. If they find a carnal's car...or if something there  
 20 like that...then they're gonna focus in on the carnal. And  
 21 they're come for our ass. You didn't think about that one did you?  
 22 CHS: No.  
 23 PUP: (laughs)I fuckin' thought about everything carnal.  
 24 That's why I told him, you gotta fuckin' be careful with that  
 25 shit. They got cameras everywhere. That mother fucker, they don't  
 00013:01 have to be caught right there in the fuckin' camera doing  
 02 it. They got, you, they catch a car just down the block, they're  
 03 gonna say what the fuck is that car doing around here? Who, who's  
 04 ride, th-who, who owns that car? A la verga, right to the carnal,  
 05 or (UI), or what the fuck is a carnal doing around this  
 06 area? Then they're gonna go fuckin' question him. They're gonna  
 07 add him as suspect.  
 08 CHS: You already threw away all your fucking addresses and phone  
 09 numbers and everything that link, to link?  
 10 PUP: No, I just scratched 'em out. I scratched out ah...I  
 11 scratched out Poo-Poo...I got yours on there, but that ain't  
 12 nothing huh?  
 13 CHS: Nah, I'm your neighbor fool.  
 14 PUP: And I got Linda Pina, (UI), Sherry Beaumont, whatever...  
 15 CHS: (laughs) you got all my ex girlfriends. (laughing)  
 16 PUP: ...(UI)  
 17 CHS: Nah, you're good.  
 18 PUP: Alright.  
 19 CHS: You got all my fuckin' hoes down there. (laughs)  
 20 PUP: Yeah. And then I got next to it, next to their names I have  
 21 Crazo's written down.  
 22 CHS: You, you probably looked at that list and said damn, this  
 23 mother fucker's a pimp huh?  
 24 PUP: Oh yeah (laughs)

00014:01 PUP: You have a lot of (UI) bitches right there.  
02 CHS: (laughs)  
03 PUP: (UI) and everyone has Crazo written next to it, so I don't  
04 forget whose it is.  
05 CHS: No, It's all good carnal. They ain't, the only, the only ones  
06 that, that you need to get rid of is fuckin' Mario's...  
07 PUP: Yeah.  
08 CHS: Chris's...  
09 PUP: But I got Deta's on there.  
10 CHS: Yeah, Deta's...that's your cousin.  
11 PUP: Yeah.  
12 CHS: It's not like she's involved in anything anyways, you know  
13 what I mean?  
14 PUP: Yeah.  
15 CHS: Um...that's it A, just, just the carnals really, the ones  
16 that, that...  
17 PUP: That's it right there.  
18 CHS: I mean basically Mario, cause he's the one that's gonna go,  
19 that's gonna do it no?  
20 PUP: Yeah, I had, I had Mario's written down' well I had, but I  
21 put Poo-Poo. But I said no, fuck that, I t-I took that whole  
22 thing off carnal. I don't got the number at all on there. Just  
23 scratched that black shit all in there you know? Real good too.  
24 CHS: Cause last night when he text me carnal, he said, that's  
25 what else he was, "Yo sabes" with me, and he said "Yo sabes" is  
00015:01 um...that, he said that I ah... I'm gonna do that t-tonight or  
02 for sure tomorrow, you know?  
03 PUP: Yeah, when he says "Ya sabes" that means you already know.  
04 CHS: Yeah.  
05 PUP: That's it, you know already. So maybe he's, he's fuckin'  
06 figured out what he's gonna do now, so let's do it.  
07 CHS: Yeah, he's fuckin'... that's why he wasn't answering his  
08 phone carnal, that fucker's on a mission.  
09 PUP: Yeah.  
10 CHS: I didn't, I-sh-I sh-your ass was up by four in the

12 and check the news too, you know?  
13 PUP: Man, I got up at (UI) I fuckin' woke up at fuckin' four  
14 thirty. I'm like what the fuck? And then I fuckin' turn  
15 on the news and I fuckin' was watching and (UI) nothing, you

19 at least an hour before I eat breakfast. I have to take it on a  
20 empty stomach. My thyroid.  
21 PUP: Because of Blue, Blue's the one that did ah started that shit.  
22 CHS: Yeah well...probably is carnal, I mean...everybody said he  
23 left Creepers flojas, he was supposed to get the shank and, I  
24 mean he went, he went in... and he told, he told Creeper all the  
25 fuckin' business, what he was gonna do. He made Creeper do it,  
00016:01 and then he told Creeper, when you're dead, I'll get the shank  
02 from you. He left him flojas though. That's why Blue's mad.  
03 PUP: Yeah.

04 CHS: You know what I mean?  
 05 PUP: But why did fuckin', why did he go take it to Blue for?  
 06 CHS: He didn't, he didn't take it to Blue. The one, the shank  
 07 that Blue got was really the one that Plas (phonetic) gave him.  
 08 PUP: Oh.  
 09 CHS: The shank that Creeper had, he threw it in the trashcan...  
 10 CHS: For what reason, I don't know, the fucker did it on camera  
 11 a la verga(laughs) But...  
 12 PUP: Well Creeper, Creeper's the one that went, went down and  
 13 when he went down there and fuckin' started, even the real  
 14 fuckin', that vato, and the vato was right there at the door.  
 15 CHS: Yeah they, yeah, that's what I'm saying, they both, they  
 16 both went after him, but Creeper got him out there more, no?  
 17 PUP: Yeah. Outside the cell.  
 18 CHS: So...  
 19 PUP: That wasn't, that wasn't supposed to happen like that.  
 20 CHS: No see, but...  
 21 PUP: So...  
 22 CHS: ...Red and Blue was supposed to go in there and strangle  
 23 him, which what they did. Then he passed out. Then Creeper and  
 24 Plas (phonetic) were gonna go in there and start stabbing  
 25 him. Well they started stabbing him...the vato woke up...and, and  
 00017:01 he fuckin' bolted out of the room.  
 02 PUP: Man.  
 03 CHS: When he bolted out of the room, Blue told him go get him.  
 04 So they ran after him and got him.  
 05 PUP: Yeah. (Spanish)(pause)...  
 06 ??: Hey what's up?  
 07 CHS: What are you doing?  
 08 ??: Nadda. (UI) (voices heard in background)(pause)...

08 talkin' about four people going in one room, and one fucker  
 09 ending up dead. Just that in a, just that alone is enough to

 06 PUP: Yeah...(voices overlap)

 05 PUP: Yeah.  
 06 CHS: All, all this shit dog. And carnal you gotta think,  
 07 like I told you yesterday, more than likely, you're lo-you're

 09 They're not gonna just do...  
 10 PUP: Yeah I know.  
 11 CHS: ...we're too big.  
 12 PUP: I don't think that much.  
 13 CHS: I do.  
 14 PUP: It's because they knew they would have the structure like  
 15 they did on other mother fuckers right? They don't have the

 06 PUP: I don't know where they were.  
 07 CHS: Yeah see them, hey carnal, they're not gonna come and just  
 08 um...hit eight, eight brothers carnal. There's, there's too much  
 09 fuckin' dirt on us dog. They're not, they're not gonna waste  
 10 their time doing that type of shit.  
 11 PUP: Well they...they got more, they indicted a bunch of them  
 12 ((UI), voices overlap)  
 13 CHS: There has to, there has to be at least thirty of us...and if  
 14 not thirty there's only gonna be maybe fifteen in, in prison,  
 15 and maybe fifteen on the streets or ten on the streets.  
 16 PUP: Yeah.  
 17 CHS: Cause you gotta think carnal, you've got...you got Fred Dog,  
 18 unsolved murder. Cyclone's in the program. You got  
 19 Troupe on the streets, you got Javier in the program, Wino...you  
 20 know what I'm saying?

 04 other. They love to fuckin', they're right there to fuckin' start  
 05 shit and, just putting shit in people's ear and talking shit  
 06 behind brothers' backs. They're doin' all that shit like that.  
 07 Just scandalous ass shit man. It's been going on for years and  
 08 years. We all have that (UI)...things like that and...respond (UI)  
 09 and, and create fuckin' problems like that. That's what happens  
 10 carnal. We're all guilty of little things, you know what I'm saying?  
 11 And we've gotta work on that. We're over killing our fellow brother  
 12 and (UI) just be fuckin' high fiving each other. The brothers that  
 13 have been fuckin' serious in this for all these years, and they,  
 14 it's not even, it's not getting better. It's still continuing.  
 15 That's cause there's, nobody faces consequences.  
 16 CHS: Well, well now they do cause you're here so, especially if  
 17 we go to the feds, you can enforce that type of shit.  
 18 PUP: Yeah, but that's what I'm saying, it's not gonna go  
 19 down...in the feds, they fuckin', even the Eme steps in  
 20 carnal. The Eme will step in and tell the brothers right  
 21 away. Your brother's acting out of line. You know, they handle  
 22 their own. When it comes to a brother, they fuckin' let a brother  
 23 know before they'll even touch a brother. It was just like when

24 them fuckin', when Whacky, Whacky and another brother, they hit,  
25 they hit some type of Nuevo...it was just regular 505...and he  
00027:01 was there kicking it, (UI) hall everybody, but that fucker was  
02 over there fuckin' coppin' behind a brother's back from one of  
03 the vatos from the Eme. Yeah, fuckin' vatos, they, we're gonna  
04 fuckin' end up fuckin'...ye-we're gonna end up takin' all them  
05 fools out eventually and woo-woo-woo. That fuckin' Eme vato  
06 wanted to kill the carnal, yeah he'll fuckin' pull (UI) some  
07 bullshit huh. Fuckin' carnal stabbed the fuck out of him. Whacky  
08 and another one. And (UI) was telling me he was, he was, (UI) was  
09 there. He was laughing when he was telling me about it. The way  
10 it's gonna go down, he said it was real funny, you know? The  
11 brothers were chasing that fool in the yard and started stabbing  
12 him. My initial thought was well that's good. These fuckin' vatos  
13 from the Eme, they like to fuckin' get involved in all our shit  
14 and try to fuckin' manipulate and all this and that, and turn up  
15 against each other, that way they have all the power  
16 all the time, no?  
17 CHS: Yeah.  
18 PUP: That was my initial thought. But no, these fuckers don't do  
19 that carnal, they fuckin', they're up straight with us in the  
20 feds. And they have, you know they go their own problems too and  
21 shit, but they deal with it. Sometimes it gets out of  
22 control. They got, I got, they g-they got all kinds of fuckin'  
23 (Spanish), they got all kinds of shit right now. They have all  
24 the politicking against each other...
